Greenhill Farm is a working farm that offers a fun and educational experience for visitors of all ages. Located in the heart of the countryside, the farm is home to a variety of animals, including cows, pigs, sheep, goats, and chickens. Visitors can also explore the farm's fields, gardens, and woodlands.

A day at Greenhill Farm is a great way to learn about agriculture and the importance of farming. Visitors can watch the farmers milk the cows, feed the pigs, and shear the sheep. They can also learn about the different crops that are grown on the farm and how they are used to feed the animals and provide food for people.

In addition to learning about agriculture, visitors to Greenhill Farm can also enjoy a variety of outdoor activities. There is a petting zoo where children

can interact with the animals, a playground with swings, slides, and a climbing frame, and a picnic area where families can enjoy a packed lunch.

Greenhill Farm is a great place to visit for a fun and educational day out. Visitors of all ages will enjoy learning about agriculture, meeting the animals, and exploring the great outdoors.
