Douglass's life was one of extraordinary challenges and triumphs. He was born into slavery in 1818 in Talbot County, Maryland. His mother, Harriet Bailey, was a slave, and his father, a white man, was unknown. Douglass never met his father and only saw his mother a few times before she died when he was seven years old.

Douglass was raised by his grandmother, Betty Bailey, who taught him the value of literacy and self-reliance. At the age of 12, Douglass was sent to Baltimore to work as a house servant. He was subjected to harsh treatment and physical abuse, but he never gave up hope of freedom.

In 1845, Douglass seized an opportunity to escape from slavery and made his way to New York City. He soon became involved in the abolitionist movement, speaking out against the evils of slavery and advocating for the rights of African Americans.

Douglass was a gifted orator and writer. He published three autobiographies, which became bestsellers and helped to shape the public's understanding of slavery. He also founded and edited several newspapers, including the North Star and the Frederick Douglass' Paper, which were influential voices in the fight for abolition.

Douglass was a tireless advocate for civil rights and social justice. He fought for the right of African Americans to vote, hold office, and receive equal treatment under the law. He also spoke out against racism, discrimination, and segregation.

Douglass's work had a profound impact on American history. He was a powerful voice for freedom and equality, and his legacy continues to inspire people around the world.

Douglass's Early Life

Frederick Douglass was born Frederick Augustus Washington Bailey on February 14, 1818, in Talbot County, Maryland. His mother, Harriet Bailey, was a slave, and his father was a white man whose identity is unknown.

Douglass never met his father and only saw his mother a few times before she died when he was seven years old.

Douglass was raised by his grandmother, Betty Bailey, who taught him the value of literacy and self-reliance. At the age of 12, Douglass was sent to Baltimore to work as a house servant. He was subjected to harsh treatment and physical abuse, but he never gave up hope of freedom.

Douglass's Escape from Slavery

In 1845, Douglass seized an opportunity to escape from slavery and made his way to New York City. He soon became involved in the abolitionist movement, speaking out against the evils of slavery and advocating for the rights of African Americans.

Douglass's escape from slavery was a daring and dangerous undertaking. He had to travel hundreds of miles on foot and by boat, and he had to constantly be on the lookout for slave catchers. But Douglass was determined to be free, and he refused to give up.

Douglass's Career as an Abolitionist

Douglass was a gifted orator and writer. He published three autobiographies, which became bestsellers and helped to shape the public's understanding of slavery. He also founded and edited several newspapers, including the North Star and the Frederick Douglass' Paper, which were influential voices in the fight for abolition.

Douglass was a tireless advocate for civil rights and social justice. He fought for the right of African Americans to vote, hold office, and receive

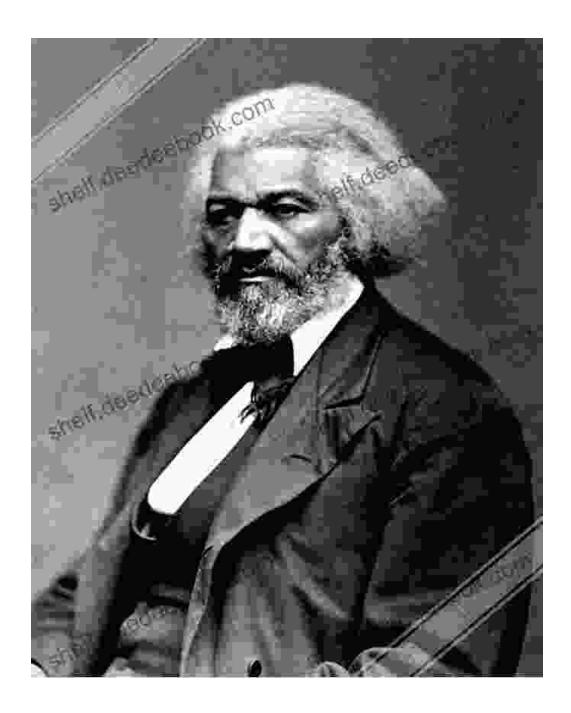

equal treatment under the law. He also spoke out against racism, discrimination, and segregation.

Douglass's Legacy

Douglass's work had a profound impact on American history. He was a powerful voice for freedom and equality, and his legacy continues to inspire people around the world.

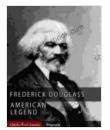

Douglass died on February 20, 1895, at the age of 77. He is buried in Mount Hope Cemetery in Rochester, New York. His gravesite is a National Historic Landmark.

Douglass's legacy is one of courage, determination, and unwavering commitment to justice. He was a true American hero, and his work helped to shape the course of American history.
