## About the Book Series

Look It Round is a children's book series that follows the adventures of Riley and Tiny, two friends who love to explore their world. The books are written by award-winning author and illustrator duo, Jill and Tom Magliarditi. The first book in the series, Look It Round the World, was published in 2015 and has since been followed by two more books, Look It Round the United States and Look It Round the Solar System.

The Look It Round books are full of colorful illustrations and engaging stories that teach children about different cultures, languages, and traditions. Riley and Tiny visit different countries, meet new people, and learn about new ways of life. They also learn about the importance of friendship, diversity, and acceptance.

The Look It Round books are a great way to introduce children to the world around them. They are also a great way to teach children about different cultures and traditions. The books are appropriate for children ages 3-8.

## **Meet the Characters**

### **Riley**

Riley is a curious and adventurous young girl. She loves to explore new places and meet new people. She is also a great friend to Tiny.

## **Tiny**

Tiny is a small, furry creature who is Riley's best friend. Tiny is always up for an adventure and he loves to make new friends. He is also very loyal and protective of Riley.

## Reviews

"Look It Round is a delightful series of children's books that celebrates diversity and friendship. The books are full of colorful illustrations and engaging stories that teach children about different cultures and traditions. Riley and Tiny are wonderful role models for children, and they show that it is possible to be different and still be friends." - Amazon Reviewer

"My children love the Look It Round books! They love learning about different cultures and traditions, and they always ask to read them again and again. The books are also very well-written and illustrated, and they are a great way to introduce children to the world around them." -

Goodreads Reviewer
