Origins and History

The Dream Dimension is an ancient realm that has existed since the dawn of time. It is said to have been created by the collective unconscious of all living beings, a subconscious repository of thoughts, emotions, and dreams. Nightmare, an ancient and powerful entity, emerged from the primordial darkness and claimed dominion over this realm.

Over the centuries, the Dream Dimension has become a battleground for good and evil. Heroes and villains alike have ventured into its treacherous landscapes, seeking to confront their nightmares or harness its power for their own ends.
