World Music Drumming is a cross-cultural curriculum that uses drumming and music to teach students about different cultures. This approach to education is based on the belief that music is a universal language that can be used to bridge cultural divides and promote understanding.

World Music Drumming has been shown to have a number of benefits for students, including:

- Improved academic achievement
- Enhanced creativity
- Increased cultural awareness
- Improved social skills

- Reduced stress

In addition to these benefits, World Music Drumming can also be a lot of fun! It is a great way for students to learn about different cultures while also getting some exercise and making new friends.

Getting Started with World Music Drumming

If you are interested in using World Music Drumming in your classroom, there are a few things you will need to do to get started.

1. **Gather materials.** You will need a variety of drums and other percussion instruments, as well as some simple songs and rhythms from different cultures.
2. **Create a lesson plan.** Decide how you will teach the material and what activities you will use.
3. **Get your students involved.** Let your students help you choose the songs and rhythms they want to learn, and encourage them to share their own knowledge about different cultures.

Once you have gathered your materials and created a lesson plan, you are ready to start drumming! Here are a few tips for getting the most out of your World Music Drumming experience:

- **Be patient.** It takes time to learn how to play the drums, so don't get discouraged if your students don't sound perfect right away.
- **Have fun!** World Music Drumming is a great way to learn about different cultures while also having some fun. So relax, enjoy the music, and let your students learn at their own pace.
